

Faubus Definitely Will Call Special Legislative Meet

More Donations to Boy Scout Drive

Additional contributions to the annual Boy Scouts of America fund raising drive were announced today. Hope Beverage gave \$15, while Home Furniture, and Memory Gardens donated \$12.50 each. Crescent Drug gave \$10.

Giving amounts less than \$10 were W. O. Boone, O. W. Mills, Cliff Stewart, Bobby Joe Lee, W. H. Barber, Joe Hankins, V. H. Barber, W. L. Tate, Ella's Grocery, Fox Tire Shop, Grig's Decorators, Charles Harrell, Oval Taylor, Ed Schooley, Imon's Cook, Reese Chambliss, A. J. Caldwell, Byers Abstract, Jack Brown, Charles Reynerson, Grady Beard and Curtis Urry.

Nasser Action Is Counter to Ike's Doctrine

By WILTON WYNN
CAIRO (AP) — President Nasser is sending Egyptian arms around the Arab compass in an apparent counter-offensive against the Eisenhower Doctrine.

There were reports of a dual shift in the Middle East: a swing toward stricter neutrality in Cairo and Damascus, and a weakening of support in pro-Western Lebanon for the anti-Communist U.S. doctrine.

Nasser pushed Egyptian influence with these moves:
1. The surprise landing of an undisclosed number of Egyptian troops at the Syrian port of Latakia yesterday was followed by a formal display of Egyptian naval force there.

2. Egypt announced it was sending to Libya a symbolic gift of six armored cars and 100-200 rifles. Egypt offered arms to Tunisia in September and sent Vampire jet planes to the Saudi Arabian jet force in August. Both Libya and Tunisia endorsed the Eisenhower policy and Saudi Arabian King Saud at least tacitly approved it.

3. Egypt moved to weld stronger military ties under the joint command which includes Egyptian, Syrian and Saudi Arabian forces. With the arrival of Egyptian troops in Syria, preceded by Egyptian technicians, the two governments declared their determination to stand together against any aggression from Turkey.

The campaign to rebuild Egyptian influence was accompanied by further maneuvering to heal the rifts in the Arab world.

Cotton Crop Referendum 'Is Dec. 10

WASHINGTON (AP) — The Agriculture Department has set Dec. 10 as the date for a grower referendum on marketing quotas for the 1958 cotton crop.

Officials said they are confident that producers will approve the controls by more than the necessary two-thirds vote.

The quotas are designed to prevent overproduction at a time when surplus supplies are available. Sales would be limited to the amount of cotton produced on 17,000,000 acres to be allotted cotton farmers.

Officials do not expect the full allotment to be planted, however. They say some of the allotted acres will be kept out of production under the soil bank program. Payments are offered farmers who underplant allotments. This year about three million acres of the 17-million-acre allotment were left under the soil bank. Payments were expected to total about \$53 million dollars.

LITTLE ROCK (AP) Gov. Orval Faubus said today that he definitely plans to call a special session of the Arkansas Legislature to deal with the racial integration problem at Little Rock Central High School.

Faubus said that the only question was the time. He would not speculate when he could issue the call.

"It won't be anything hasty," he said.

One solution which the Legislature may consider, he said, is action similar to that of the Florida Legislature in settling up legal machinery for the closing of any school which is integrated by the force of federal troops.

Little Rock Central High has been surrounded by federal troops since Sept. 24, the day after violence outside the school prevented court-ordered integration of nine Negroes into a school of 2,000 whites.

The governor, who said that he felt very good after a siege of influenza, said in answer to a question that he did not know whether legislators could come up with constructive ideas in the present atmosphere of tension.

"However," he said, "I will say this: I have found that the legislators generally are men of good judgment."

He said that "part of the consideration in setting a time for a special session was a cooling off period."

He said, "I said that I only part of the consideration. I know the next question will be what the other considerations are, and I'm not prepared to say at this time."

13 in Arkansas Meet Death by Violence

By The Associated Press
Thirteen persons died violently in Arkansas during the week which ended at Sunday midnight.

Traffic accidents took nine lives and two persons died in separate mishaps involving a tractor and a bulldozer. One died in an airplane crash and one was killed in a shooting.

Harold Watkins, 21, of Judsonia, was injured fatally Saturday night when his car overturned on State Highway 11 at Denmark in White County. Watkins died in a Searcy hospital.

Riddle Pannell, 37, was killed by a blast from his 16-year-old stepson's shotgun Saturday night at Little Rock, police said.

The boy was released to the custody of his mother and will be turned over to juvenile authorities, officers said.

They quoted the boy and his mother as saying Pannell had abused Mrs. Pannell. The shooting occurred at the home.

A 13-year-old boy riding a bicycle was struck and killed by a car on U.S. Highway 61 near Joiner Saturday. He was Larry Gene Elder, son of Mrs. Opal Elder of Bassett.

An 80-year-old Hober Springs man was injured fatally Saturday when an automobile struck him as he walked across a bridge on State Highway 16-36 near Hober Springs. Oscar Bell died in a Little Rock hospital.

Local Groups to Hear Oren Harris

Congressman Oren Harris of El Dorado, will be the principal speaker at 8:30 p.m. today before the brotherhood membership of First Baptist Church. He will be introduced by the pastor, Dr. John H. McClanahan. Approximately 100 members of the Brotherhood and invited guests are expected.

Congressman Harris will remain in Hope where he has a speaking engagement at noon Tuesday before the Hope Kiwanis club at Hotel Barlow.

He is expected to discuss the Millwood Dam project at the Tuesday Kiwanis meeting.

Hope Women to District PTA Meet

District 13 Arkansas Congress of Parents and Teachers will be held at DeQueen Tuesday, Oct. 15, with Miss Della Kennedy, field consultant for the National Conference, discussing "PTA Activities in a Growing Community."

Mrs. John B. Gardner, president of the Garland PTA, Hope, will present the opening devotion. Mrs. Frank King of Hope will take part in a panel discussion during the afternoon session. Mrs. D. P. Booth and Mrs. Henry Seaman, Hope, will discuss national and state publications displays and pre-school health clinics.

Court Reverses Convictions of 2 Communists

WASHINGTON, Oct. 14 (INS) — The Supreme Court today reversed the convictions of two alleged leaders of the communist party's "underground" apparatus.

The action, suggested by the justice department, postpones indefinitely a high court decision on the legality of the "membership" clause of the Smith act.

The court said it was acting "upon the consideration of the entire record and the confession of error by the solicitor general."

The solicitor general, speaking for the justice department, had expressed the hope that new trials could be ordered. However, the court did not take this step, and simply reversed the convictions.

The defendants, Julius Irving Seales of North Carolina and Claude Mack Lightfoot of Chicago, were both convicted on charges of membership in the communist party.

The charges were made on the basis of a "little-used section" of the Smith Act which makes it a crime to belong to the party for anyone familiar with its aims and beliefs.

The Smith Act has generally been used in the past for the trial of communist party leaders accused of actively participating in a plot to overthrow the government by force and violence.

Last spring the court decided it wanted to hear further legal arguments on the basic constitutional questions involved in the two cases. The arguments were scheduled for today.

However, last month the justice department advised the court that the cases should be reversed on the basis of the court's ruling in the celebrated Jencks case.

The court ruled in that case so that the veracity of government witness can be tested on the stand.

Solicitor General J. Lee Rankin, speaking for the justice department, told the high court that the issue of FBI files was contained in the scales and lightfoot appeals.

He suggested that the convictions be reversed for further proceedings, but left it up to the court to decide whether further legal arguments should be scheduled.

D. W. Citty, Ozan Resident for Many Years, Succumbs

D. W. Citty, life-long resident of Hempstead County and resident of Ozan for many years, died in a veterans hospital Sunday.

Survivors include two daughters, Mrs. J. W. Gist, Prescott; Mrs. Floyd Matthews, Ozan; three sons, Floyd, Roswell, New Mexico; Clinton, San Antonio, Texas; Warner, Jr., Houston, Texas; two sisters, Mrs. Ben Goodlett, Ozan; Mrs. Ross Roberts, Springfield, La.

Funeral arrangements are incomplete, and will be announced by Latimer Funeral Home, Nashville.

Queen Opens Parliament in Canada

By CYNTHIA LOWRY
OTTAWA (AP) — Elizabeth II, as Queen of Canada and in her white sash coronation dress, today opens the 23rd session of the Canadian Parliament. She is the first reigning monarch to perform that function.

Weather permitting, the Queen and her husband, Prince Philip, were to drive from Government House to Parliament Hill in the horse-drawn open state carriage.

Flags and bunting line the three-mile route of the ceremonial drive, and a brilliant display of military splendor was arranged — bright uniforms and medals, bands, flags and marching men.

The ceremonies in Parliament, being carried to Elizabeth's 16th million Canadian subjects by television and radio, were planned to maintain all the rich, color and deep-seated tradition of Old World Britain and New World Canada.

As in England, the Queen may not set foot in the elected House of Commons. The historic ceremonial was set in the smaller Senate chamber, a magnificent vaulted room of red and gold.

Flanked by Prime Minister John Diefenbaker and Prince Philip, the Queen was to read — in English and French — the traditional "speech from the throne" outlining the new Conservative government's program. It was written for her by Diefenbaker's Cabinet.

The schedule for the second full day of Elizabeth's Canadian visit also included a meeting with her Privy Council for Canada; a reception at Government House for the high commissioners of the Commonwealth countries; the heads of foreign missions and their wives, and, at night, a state dinner followed by a state reception for some 500 government officials, diplomats and others.

Former Hope Woman Dies in Louisiana

Mrs. Frances Meehan, wife of George Meehan, died at her home in Tululah, La., yesterday. She was 82 years old. She had lived in Hope for many years, moving to Louisiana only recently. Services will be held at Tululah.

Hoffa Is Barred From Taking Office Tues. by a U.S. Court Order

TRAIL OF THE SNARK — Path of light toward the stratosphere is etched against the night at Cape Canaveral, Fla., as an Air Force "Snark" rises toward an altitude above 35,000 feet for a test run. The Snark, a subsonic, pilotless plane, is 74 feet in length and said to have a range of over 5,000 miles. It's powered by a Pratt and Whitney J-57 jet engine. (Picture from Department of Defense photo.)

Refrigerated Hearts Hold Possibilities

By FRANK CARY
AP Science Reporter

ATLANTIC CITY, N. J. (AP) — "Refrigerated" hearts look like a good possibility in the attack on heart disease, two Mississippi surgeons said today.

"They said they had developed a method for preserving cut-out dog hearts by refrigeration for appreciable periods and then—with a technique for transplanting them into other dogs — had been able to keep the latter alive for spans up to 22 hours."

Drs. Watts R. Webb and Heeler S. Howard, of the University of Mississippi, told about the development in a report prepared for the opening of the 43rd clinical congress of the American College of Surgeons.

"These experiments indicate," they said, "that the problems of technique and of physiology of cardiac heart transplants can be solved. As soon as the associated immunological problem is solved, cardiac transplants should become a reality."

By "immunological" problems they meant the natural resistance of the tissue of one individual to the implantations of tissue from another person.

Nego Injured in Fall From Horse

A Fulton Negro, Robert Bullock, was thrown from a horse late Sunday afternoon at Fulton and suffered a head injury. He was brought to a local hospital by a Herndon-Cornelius ambulance. His condition was not considered serious.

3 Nevada County Men Arrested

Three Nevada County men were arrested last week by Sheriff Horace Hale of Prescott, Deputy Sheriff Jack Arnett of Hempstead and State Policeman Scrub Mosler of Hope.

Joe McCraven was charged with possession of a 12-barrel "liquor still and George and James Biddle were charged on two counts of grand larceny. Officers were searching for and found stolen goods including tires and tubes when they found the still 10 miles east of Prescott, according to Deputy Arnett. Besides possession of the still, McCraven was also charged on two counts of grand larceny.

Canadian Is Nobel Peace Prize Winner

OSLO, Norway (AP) — Lester B. Pearson, former Canadian foreign secretary, has been awarded the 1957 Nobel Peace Prize. The prize amounts to \$40,275.

In the United Nations last fall, Pearson spearheaded a campaign to bring peace to the Middle East, where Britain and France had joined Israel in an attack on Egypt.

Largely as a result of Pearson's activity, a U.N. Emergency Force was organized to separate the belligerents. This force still is on duty in the Gaza area.

Pearson in June lost his Canadian Cabinet job as a result of elections which brought the Conservative party to power in Canada, sweeping out the Liberals.

Today in Ottawa Pearson said he was under attack at the moment, but he had not known of it until he was advised by reporters.

The prize was awarded by the Nobel Committee of the Norwegian Storting Parliament.

The committee again decided not to award the 1956 prize. The committee found no worthy candidate.

The 1956 prize, amount of which was not announced, will be disposed as follows: two-thirds to the special fund of the Norwegian Nobel Committee.

Ladies' Day at Penney's on Tuesday

The Ladies will take over Tuesday as the local J. C. Penney store observes its Ladies' Day Event.

Mrs. Lois Russell, who has been associated with the Hope Penney store for the past 18 years, was chosen manager for the day by her fellow workers. The manager, W. R. Caldwell, will be out of town for the day as the women take over.

Mrs. Russell and associates will have selected and specially priced many values for the day to be offered to their friends and customers. They invite everyone to visit them "their day" Tuesday at Penney's.

Hope Ranks High in Test of Students

In April, 1957, the Science Research Association conducted a nationwide testing program for the purpose of establishing new norms on the Iowa Educational Development Test. A cross-section of schools were selected from each state to participate in this program. In Arkansas six schools were selected of which Hope was one.

The test covered educational development of students in four major fields: Science, Math, Social Studies and English in grades 9-12. The results of each students test is in the hand of the Guidance Counselor at the high school and has been studied and interpreted to many of those individual students.

Class Norms were established in all states and for the nation. The ninth grade of 1957 ranked second out of the 6 schools that were tested in Arkansas. The tenth grade, eleventh grade and twelfth grade of 1957 ranked 4th among the 6 schools tested in Arkansas.

The 1957 9th grade of Hope scored as high as eleven of the 16 schools tested in California. The 10th grade scored as high as 21 of the 40 tenth grades tested in California. The 11th grade scored as high as 20 of the 42 11th grades tested in California. The 12th grade scored as high as 12 of the 31 12th grades tested in California.

Awards Given in Poster Contest

Friday, October 11, awards were made at Oglesby School to winners in the Fire Prevention Poster Contest which was sponsored for the past week by the local Fire Department.

Fay Willis, fire chief, made a short talk on the importance of fire prevention and presented the junior fire marshal achievement banner to Junior Fire Marshals Buddy Sprague and Wayne Moses.

Mayor George Frazier, introduced B. N. Holt of the Chamber of Commerce who gave prizes to the following pupils:

Primary Grades, first prize, Larry Don Alford, Second Grade with Mrs. Grady Williams as teacher; second prize, Brenda Neal, Third Grade, Mrs. Royce Weisenberger teacher; third prize, David Poole, First Grade, Mrs. James McLary teacher.

Upper Grades, first prize Gary Poole, Fifth Grade, Mrs. Earl Downs and Mrs. T. Y. Messer teachers; second prize and third prizes, Ruby Nell Davis and Al Weisenberger, Sixth Grade, Miss Kathleen Branch, teacher.

Mrs. Joe Black Dies in Lake Charles

Word has been received here of the death of Mrs. Joe Black in Lake Charles, La. Mrs. Black lived here for a number of years and taught in the Hope School system. Services will be held in Lake Charles.

President of Teamsters Hit by N. Y. Group

WASHINGTON (AP) — A federal district judge today barred James R. Hoffa from taking office tomorrow as president of the big Teamsters Union.

A temporary restraining order was signed by Judge F. Dickson Letts at the request of a 13-man New York rank and file Teamsters group.

The order not only bars Hoffa from taking office, but also bars others elected with him from being sworn into office.

The temporary restraining order will remain in force for 10 days, but may be continued for another 10 days.

Judge Letts' order also calls upon Hoffa and others elected with him to show cause why the entire proceedings of the Teamsters convention at Miami Beach, Fla., recently should not be voided as unconstitutional and why Hoffa and other officers should not be permanently barred from taking office.

The New York group charged that Hoffa's overwhelming election as president of the Teamsters was rigged, with delegates improperly chosen under the union's constitution.

The session on holding up Hoffa's seating was delayed for more than an hour while the attorneys engaged in a hot verbal battle before another federal judge with counsel for the scandal-stricken Teamsters Union.

Martin O'Donoghue, Teamsters attorney, asked Judge John A. Sirico to put down for an immediate trial the case brought by a New York rank and file Teamster member group challenging Hoffa's election and other decisions of the convention.

British Ready to Talk Over Space Missiles

By MAX HARRELSON
UNITED NATIONS, N. Y. (AP) — Britain announced today it is ready to join the United States and other countries in immediate talks aimed at harnessing space missiles for peaceful uses.

British Minister of State Allan Noble told the U. N. 82nd nation Political Committee there still is time to bring these devices under control despite "recent events."

Noble did not mention specifically the Soviet satellite, but he said these recent events "have still further underlined the importance of this matter."

He suggested that a technical group might be set up by the U. N. "to start work on this problem of controlling space objects." Technical studies, he said, would be needed before it can be determined what action is necessary.

The British delegate agreed with a proposal by U.S. Ambassador Henry Cabot Lodge that multination discussions on missile control might be separated from the general disarmament negotiations and carried on independently.

The British government, he said, is "willing to take part in such a study on these terms."

Supreme Court Faces More Key Rulings

WASHINGTON (UP) — The Supreme Court meets today for its first working session of the term. Action is likely on a variety of race, Communist and other important issues.

The court will dispose of a big batch of appeals that piled up during the summer recess. A few will be accepted for argument and later decision. Most will be rejected.

Then the court will proceed with arguments on some of the cases that were accepted last term.

On this week's argument list is a plea to overrule a 1954 decision that all men may be deported solely for past membership in the Communist Party.

Another is a complaint by Negro railroad employees in Texas alleging discrimination by the Brotherhood of Railway Clerks.

The summer backlog includes the fourth appeal to the high court by Virgil D. Hawkins, a Negro who has been trying to get into the University of Florida Law School since 1949. In March, 1950, the court ordered Hawkins admitted promptly but the state still has not done so.

A recent appeal also related to the race issue is that of segregationist John Kasper. He wants the high court to reverse his criminal contempt conviction for interfering with school integration at Clinton, Tenn., last year.

The cases with Communist overtones filed during the summer include challenges to the constitutionality of New Hampshire's subversive activities law and New York's 1951 security-rick law.

Two others come from the West Coast. They are appeals by Hugh Bryson, San Francisco union leader convicted of filing a false non-Communist affidavit with the government in 1951; and by three Portland, Ore., witnesses convicted of contempt for refusing to answer on Un-American Activities in 1954.

The Justice Department has conceded the trio are entitled to a reversal. They are Herbert Simpson, Donald M. Wolcott and John Rogers Mackenzie.

The court has also been asked to examine the validity of "hog cargo" contracts which provide that union members shall not be required to work on non-union or truck goods.

The conviction of income tax evasion charges of Aoy Lennum, Secretary to Rep. Adam Clayton

the guest Wednesday of her brother, J. H. Langley and family.

Arvin Jones returned to Camp Robinson Wednesday after spending several days with Mrs. Jones.

Tommy Cox left last week for Ft. Devens, Mass. where he will attend an Army Security Agency School. He has spent the past two weeks with his parents, Mr. and Mrs. Claud Cox after completing his eight weeks' basic training with the U. S. Army at Ft. Carson, Colorado.

Flash Flood Is Receding in Texas

DALLAS, Tex. (UP) — Hundreds of west Texas families who fled from flooding rivers and creeks last night prepared to return today to their mud-covered homes as the streams receded.

Cloudbursts of up to 11 inches hit the once drought-ridden sections of western Texas yesterday and continued through the night.

Highways were blocked by flooding streams, at least one railroad was washed out, telephone communications were cut, and hundreds of homes flooded. No drownings were reported.

Shortly before midnight, County Judge W. H. Romy at Ballinger, Tex., probably the hardest hit of the flood-stricken towns — said he believed the greatest danger was over.

Police said Elm Creek started receding about midnight and the rate of rise on the Colorado River had slackened off to about 10 of a foot per hour. Earlier, the river had been rising 2 feet per hour.

Bullinger hurriedly evacuated more than 150 families in the face of the flooding streams. At Eastland, Tex., some 100 persons were forced to flee their homes as the flooding Leon River threatened. About a half dozen families at

Powell Jr., D-N.Y.

—A complaint by General Electric Co. that its products are being illegally sold in New York by a Washington mail order house at below so-called "fair trade" prices.

Cross Plains, Tex., moved out as the swollen Turkey Creek covered seven city blocks of the small city about halfway between Ballinger and Eastland.

The heaviest general rains in 24 years, natives of the area said, fell in triangle bounded by San Angelo, Abilene, and Brownwood.

The 11-inch downpour came at 11 a. m. but up to 3 inches fell along the upper Colorado River watershed, flooding Ballinger downstream.

Price Middleton, civil defense coordinator at Ballinger, said the Red Cross cared for more than 150 families there last night. Cots were set up in the high school gymnasium and food was rushed from San Angelo and Abilene.

Telephone communications were washed out over much of the wide central west Texas area. Amateur radio operators were pressed into service.

Pennels County Sheriff Dah Atkins said, "More rain has fallen on the Colorado watershed than at any time since 1922."

Highways closed included U. S. 277 between Sonora and Del Rio on the Mexican border, U. S. 183 between Cisco and Rising Star, U. S. 84 between Abilene and Brownwood, and State 279 between Brownwood and Cross Plains. Some farm roads were washed out.

Rainfall measurements reported included: Cisco 11.06 inches, Eastland 9, Ranger 9, Robert Lea 8.43, Eldorado 2.50, Eden 3.50, Ozona 1.10. Al ledge, ranch editor of the San Angelo, Tex., Standard Times, said the soaking rains were "the best in seven years."

To protect itself, the horned toad can shoot a fine stream of blood from its eye for a distance of three feet.

Army to Take Over Navy Missile

By SANKY TRIMBLE

White Sands Proving Ground, N. M. (UP) — The Army formally takes possession tomorrow of one of the newest eggs in the United States missile basket.

The occasion is the formal transfer to the Army — by the Navy and Radio Corporation of America — of Talos.

Talos has been described as a deadly missile hunting "dog," chained to an electronic leash. Capable of rapid fire and the first completely automatic unit, it ranks in the anti-missile class of U. S. weapons. The rain-jet propelled missile is believed the first supersonic rocket developed for use by both land and sea-going units.

Against a background of controversy, charge and counter-charge over the nation's missile program, top Army, Navy and scientific officials will be on hand for the ceremony. A press corps of sizeable dimensions is invited to attend firings of the missile.

Among those scheduled to attend the formal ceremonies at this desert proving ground are: Lt. Gen. E. L. Cummings, chief of Army ordnance; Rear Adm. F. S. Willington, of the Navy Bureau of Ordnance; and Dr. E. W. Engstrom, senior executive vice president and top scientist for RCA.

An unusual economic factor is involved in the ceremonies. Talos is believed to be the first missile developed for operational use both by the Navy and the Army.

Science Shrinks Piles New Way Without Surgery

Finds Healing Substance That Does Both — Relieves Pain—Shrinks Hemorrhoids
New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and relieve pain—without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were so thorough that sufferers made astonishing statements like "I have ceased to be a problem!" The secret is a new healing substance (Bio-Dynal) — discovery of a world-famous research institute. This substance now available in suppository or ointment form under the name **Preparation H**. Dispute Arises Over Actor Brando's Bride

HOLLYWOOD—The question of whether Marlon Brando's bride was Anna Kashfi, Indian actress, or Johanna O'Callaghan of Cardiff, Wales, still has Hollywood buzzing today.

It appears possible that she was both; that is, that Joan O'Callaghan, actually born in India, took an Indian name and atmosphere for her theatrical career.

On the other hand, she told Hollywood friends that she was Indian and on her marriage license she listed her birthplace as Darjeeling, India, and her father as Devi Kashfi.

Nevertheless, William Patrick O'Callaghan of Cardiff, a Welsh factory worker and former railroad man in India, says that Anna Kashfi is his daughter, Joan, born in India while he was employed there. And MGM studio says her paychecks were issued in the name of Johanna O'Callaghan.

Whether she is Anna or Joan, the 23-year-old beauty is now Mrs. Marlon Brando, and has been since she and the 33-year-old actor were married in nearby Eagle Rock Friday.

Newsman and studio people have been unable to locate the honeymooning couple since to ask about O'Callaghan's parentage. When the bride couple left by automobile, Brando said he didn't know, himself, just where they were going.

HEAVY WOOL

Most serious losses on Chilean sheep farms at the Straits of Magellan are caused by thick fleeces. In rainy weather, the wool becomes so wet and heavy that a sheep that rolls on its back may be unable to regain its feet and lies there until rescue or death.

Actually a lizard, the horned toad includes in its armor a splint back and pin-pointed spikes on top of its head.

Okay; Ronnie Porter, Rt. 2, Hope; Rose Mary Bassinger, Hope; Wade Stevenson, Rt. 1, Hope; A. T. DOROTHY DIX

Look For Trouble — and You'll Find It

Dear Dorothy Dix: My trouble began when we put a down payment on a house. We had been living, practically rent-free, at my mother-in-law's. All my in-laws live within a short distance of each other and we always got along swell — until this house episode.

My husband's sisters were very cold about our home; they never wished me luck when we moved in, remarked that they "wouldn't buy a house until they could buy the best." Found fault with the neighborhood and landscaping. Now my husband is catching the critical attitude. When we bought the place he had no fault to find whatsoever now he complains that the construction isn't what it should be, etc., etc.

I want to move again since I'm sure there will be trouble if I remain in the same neighborhood as my in-laws. My husband says no; that I imagine everyone is against me and no matter where I move I wouldn't lose this feeling. Is there any chance for me to be happy in this environment?

ROBIN
Dear Robin: Knock the chip off your shoulder, girl, stop looking for bogeymen behind every in-law and for heaven's sake, stop nagging at your husband. You nagged the poor chap into buying a house for you; now you're ham-

pering at him to sell it. Your sisters-in-law are undoubtedly showing a little jealousy, but can't you be big enough to shrug it off? After all, you have what you wanted.

You have a truly miserable life cut out for you (and everyone around you) unless you do learn to overlook things.

Dear Dorothy Dix: Dusty and I have been secretly married for four months. The reason for the secret wedding is that we're still in school and have no money to start housekeeping. We date only with the crowd, in order to hide the true facts. When should we tell?

ARDITA
Dear Ardita: At once! Since your hearts beat as one let them beat in public. With the help of your families, you can iron out the complications.

Dear Dorothy Dix: Four years ago my mother, then a widow, remarried. While I have never personally liked my stepfather, I've always made an effort to be agreeable for mother's sake.

Now I want to start my own home with a wonderful man. Both my mother and stepfather object to him but they will not give me any reasons. If it weren't for my mother I wouldn't think twice

Negroes Riot in New Orleans Affair

NEW ORLEANS (AP) — A belligerent mob of Negroes forced an off-duty white policeman to release a Negro speeder yesterday by attacking the officer. They also turned on more than a dozen other officers called to the scene.

Patrolman Alphonse Gutcheard, in civilian clothes, said he arrested George Martin, 28, after chasing him at 70 m.p.h.

Gutcheard said he was searching Martin when the mob formed. He said the Negroes started punching him and knocked him to the ground.

The disturbance developed into a free-swinging fight when other policemen, called by an observer, arrived. The officers arrested nine.

Martin, who escaped during the about leaving, but I don't want to hurt her.

Dear W. K. C.: At 22 I think you have a right to happiness. Mother didn't consult you when she remarried; if you're quite sure of your young man, go ahead and marry him. Your folks leave you no alternative.

Dear Dorothy Dix: During the year Alex and I went together, he gave me a necklace and bracelet, both fairly expensive. Should I keep them, now that we've broken up?

WONDERING
Dear Wondering: Return the jewels. The romance is dead, why keep reminders of it?

ORIGINATION

The expression "not dry behind the ears" is said to have originated with the Dutch of early Pennsylvania. Noticing that animals just born are promptly licked dry everywhere but behind the ears, the Dutch coined the phrase to designate a mere youngster.

Rural mail carriers are not obligated to put mail in boxes that fail to meet postal department standards.

Flight, was sought on charges of driving while under the influence of intoxicants, assault, resisting arrest and escape.

Dorman Takes Special Oldsmobile Training

Glen Dorman, a member of the E. E. Davis Motor Co. service staff, has successfully completed an intensive course in advance Oldsmobile servicing and maintenance techniques at the General Motors Training Center in Memphis, Tenn. It was announced today by W. J. Buxton, Olds Division general service manager.

"Mr. Dorman is one of thousands of Oldsmobile dealer service employees who have taken instructions under highly skilled instructors trained at the Oldsmobile factory," Buxton said.

Thought for the Day
How to Keep from Worrying About Criticism

Rule 1. Unjust criticism is often a disguised compliment. It often means that you have aroused jealousy and envy. Remember that no one ever kicks a dead dog.

Rule 2. Do the very best you can; and then put up your old umbrella and keep the rain of criticism from running down the back of your neck.

Rule 3. Let's keep a record of the fool things we have done and criticize ourselves. Since we can't hope to be perfect, let's do what E. H. Little did: Let's ask for unbiased, helpful, constructive criticism - Dale Carnegie.

Calendar of Events
Yerger Music Department to Sponsor "Guess Who" Contest. On Tuesday, Oct. 15, the Yerger Music Department is sponsoring a "Guess Who" contest.

All music will be sung or played behind the curtain. Persons guessing the highest number of participants correctly will receive a prize.

Later in the program, you will get the big surprise when you see and hear the performers.

Don't forget the date, Tuesday, Oct. 15; time 7:30 p.m.; place Harris Gym; admission 10-15-25 cents.

Mock Association at Garrett Chapel Church
The Mock Association will be held at Garrett Chapel Baptist Church, Oct. 14-16. The public is cordially invited to attend. Mrs. Willie Mae English, Moderator; Mrs. Roxie Story, secretary.

Mrs. Marie Jones died at her home on Laurel Street Sunday, Oct. 13th. Funeral arrangements are incomplete and will be announced by Hicks Funeral Home, Inc.

Marshall Archie died at his home in Lewisville, on Sunday morning, Oct. 13th. Funeral arrangements are incomplete and will be announced by Hicks Funeral Home, Inc.

Browns, Colts Tops in Pro Football Play

By EARL WRIGHT
United Press Sports Writer

The Baltimore Colts and Cleveland Browns, doing out points like misers counting gold pieces, hit the National Football League's one-quarter mark today with 3-0 records and became the teams to beat for the division titles.

Baltimore, "needed" by coach Weeb Ewbank when it trailed 10-7 at the half Sunday in Milwaukee, scored more than a point a minute in the last two periods to crush the Green Bay Packers 45-17. It was the season's biggest offensive spree and the Colts have allowed their first three victims to average just 13.7 points.

There was virtually a fight a minute at Cleveland as the Browns tamed the Eagles, 24-7. The Browns and Eagles have been feuding for years out of Sunday's game for fighting. The Browns have allowed their first three opponents to average only 7.3 points and are beginning to look like the team that won six straight Eastern Division titles before losing the crown to the New York Giants in 1950.

New York, still not showing the power that made it league champion last year, edged the Washington Redskins, 24-20, and the Pittsburgh Steelers defeated the Chicago Cardinals, 29-20, the Giants and Steelers both 2-1 trail the Browns by a game. Each has lost to Cleveland.

The Detroit Lions and San Francisco Forty-Niners (both 2-1) won thrillers and are a game behind the Colts in the Western race. The Lions intercepted six of Norm Van Brocklin's passes during a 19-7 victory over the Los Angeles Rams at Detroit and Y. A. Title's pass to R. C. Owens in the last 20 seconds gave the Forty-Niners a 21-17 victory over the Bears at Chicago.

Gallant Hogs Come Back to Break Baylor Jinx

By ADREN COOPER
Of The Associated Press

There were two "endings" to the Arkansas-Baylor game Saturday night - and both exciting finishes came just exactly right from the Razorback viewpoint.

"I was afraid that we did not have the pulse and confidence to cope with a team like Baylor," said Arkansas Coach Jack Mitchell. "And then when we came from behind to tie it up at the half, we had that confidence. At the half, I felt that the boys would go out and give them a battle."

Behind 14-0, the Hogs produced one of the finest comebacks in the memory of veteran Razorback fans. They tied it up 14-14 with one minute to go before intermission.

The Razorbacks managed to contain Baylor's power near the goal line in the second half and saved a 20-17 triumph by fighting off a determined passing attack in the final seconds.

"It was the second wildest game I ever played or coached in," Mitchell said. "The wildest was the game at Waco two years ago."

Two years ago, the Razorbacks also battled back in the second half but wound up on the short end of a 23-20 score.

Baylor was one of the front-runners whom the Porkers did not expect to beat and the victory labeled Arkansas as the main challenger to favorite Texas A&M.

Arkansas, rated 11th nationally last week in the Associated Press poll, will be seeking its fifth straight victory of the season and its third in conference play in a Dad's Day contest at Fayetteville.

After watching the Longhorns in their game but futile struggle against powerful Oklahoma, Mitchell described them as "one of the best teams I've ever seen at Texas; a fine, aggressive football team."

Mitchell said that he was particularly concerned about a method for stopping Walter Ponder, Texas' great playmaker who is the team's top passer, runner and kicker.

"And Texas will be pointing for us - their first conference game," Mitchell said. "It will be the third week in a row that we will catch a team on its conference opener."

The Hog mentor described his Porker as "still unground in some departments." He said: "In some respects, we didn't play a good football game."

Had he expected Baylor to be as strong as they were in the line? "Well, I wouldn't say we expected it," he said. "We knew that they were capable of it. Our backs were concerned about the wedge play and they came up to stop it when quarterback Doyle Traylor called that first touchdown pass play. It was a fine call."

Although the Porkers were overpowered in the line by bigger, stronger forwards and by the bruising force of fullback Larry Hickman, there were many points in their favor in the close game.

1. They absorbed the Bears' terrific punch and yet seemed stronger near the end - perhaps because Baylor Coach Sam Boyd let his first eleven play longer than usual.

2. The Hogs went through a ball game without a fumble.

3. They scored every time they got within range of the Bear goal line.

4. The goal line defense worked well.

Mitchell was pleased with the play of his sophomore halfbacks - especially Jim Mooney and Billy Kyser. However, he added, "They are bound to make mistakes that hurt you sooner or later. They just don't have the experience."

The old standbys - quarterback George Walker, fullback Gerald Nesbitt, center Jay Donathan - were effective and consistent against Baylor, and halfback Donnie Stone and end Charlie Whitworth turned in outstanding performances.

"I believe Nesbitt is more consistent than Hickman," said Mitchell in comparing the two fullbacks. "And he (Nesbitt) is a better runner in the open."

The game demonstrated the Porkers' need for an effective kicker.

The injury that kept Walker out last year - also apparently has affected his punting ability and the Hogs have not found a capable replacement.

"I've had someone on our third or fourth teams anywhere who could kick, we would use him," Mitchell said. "We just don't have anybody."

The Arkansas coach remains reluctant to rate his Razorbacks in relation to the conference, or to compare other conference teams.

"They're all so close the home field or better morale could make the difference anytime," he said.

The Razorbacks will catch Texas A&M at Fayetteville for homecoming; and Rice - another top

Unknowns in the Fight Spotlight

By MURRAY ROSE
Of The Associated Press

Gene Armstrong and Eddie (Machine Gun) Thompson, a couple of unbeaten unknowns, get their first chance at boxing's limelight tonight in a 10-round main event at New York's St. Nicholas Arena. The bout will be telecast (Dumont, 9:30 p.m. EST).

Armstrong, 25, of Elizabeth, N. J., has won all 11 of his pro fights. Thompson, 21, of Little Rock, Ark., has won 12 and tied once in 13 starts.

Louisville, Ky., which is becoming a live boxing town, features middleweights Ellsworth Spider Webb, fifth ranking 160-pounder, and husky Jackie LaBusc of East Meadow, N.Y., in the Wednesday Television (ABC 9 p.m., EST) headliner.

Webb was called on to sub for Ralph Tiger Jones who suffered a leg injury in training. The Spider, a fine boxer-puncher, has a 23-2 record. LaBusc has a 28-11 record.

Boxing returns to New York's Madison Square Garden Friday night for the first time in seven months. Heading the program are slugging Rory Colman of New York and veteran Rocky Castellani of Cleveland, Calhoun. 23 now is the No. 3 middleweight contender on his 29-2-1 record. Castellani, longtime contender and still a hard man to beat at 30, has a 65-12-1 record. The 19-round bout will be broadcast and telecast (NBC 9 p.m., EST).

Contender - and Southern Methodist in Texas.

Since taking over at Arkansas in 1951, Mitchell has tied or beaten every other Southwest Conference team at least once. The Baylor game completed the cycle.

And, after a half a century, the Porkers destroyed the Waco jinx on the 17th try.

Russian Sets a 5,000 Meter Mark

ROME (AP) - The world record for 5,000 meters once more is back in the hands of Vladimir Kuts, stocky Russian navy officer.

The 30-year-old Kuts, far off form this year because of a stomach ailment, lowered the mark to 13 minutes, 35 seconds yesterday as he crossed the finish line 100 meters ahead of his closest competitor in a field of 20 at a 17-nation track and field meet.

Kuts, winner of gold medals in the Olympic five and 10,000 meter runs at Melbourne last year, replaced Britain's Gordon Pirie as the record holder. Pirie ran the distance (3 miles, yards and 7 inches in 13:36.8 at Bergen, Norway, June 19, 1950).

Kuts held the record three times previously.

Soldier Wins Golf Meet at Ft. Smith

FORT SMITH, (AP) - Grifty Mason Rudolph, upset victory over Hiram Robbins Jr., defeated Billy Addison 2 and 1 yesterday in the finals of the Southwest Amateur golf tournament at Hard-scrabble Country Club here.

Both Rudolph and Addison are Ft. Chaffee soldiers. Rudolph is all Army golf champion this year. Addison has played in the Western and National amateurs but never was a serious contender.

Rudolph sped two holes in front of Addison with a brilliant 72 in the morning 18-hole. In the afternoon - Addison shot a 66 - which was six under par but still no better than Rudolph's score.

The end came for Addison when Rudolph canned a 10-foot putt on the 5th hole. On the 17th hole both golfers parred.

Addison said later he played as well as he ever did. Rudolph commented that Addison, plays "as strong a game" as Robbins.

The difference is Floyd hasn't won that big tournament yet. Rudolph said. "When he does, he's on his way."

Rudolph's upset of grobbers Saturday, 5 and 3, was a major accomplishment. Robbins, who is National Amateur champion, seldom has been beaten by Rudolph in many matches during their parallel careers.

Tigers Defeat Texarkana Team 14-0

The Yerger Tigers took the measure of the Bulldogs of Texarkana Saturday night by a 14 to 0 score.

The local team didn't waste much time in scoring after a fumble recovered by the Tiger's Allen Edwards on the visitor's 10. Quarterback Moss slipped a handoff to Tyus who went all the way from the 20 to score. Reed made the extra point. Both teams held pretty well in check during the second period and the half ended with Yerger out front 7-0.

It was the visitor's game in the third period. They smashed to the Yerger one yard line but the Tigers intercepted a 4th down pass and lugged it out to the 15 as the final quarter got underway.

Yerger promptly took the ball on a series of plays to the Bulldogs 35. With fourth down and one to go Wilson faked a kick and raced 15 yards to the visitors' 20. From there Moss passed to James Deloney for 10 and then handed off to Tyus who raced in for the second touchdown. Tyus also made the extra point.

It was an offensive game despite the shutout score. Yerger gained

Arkansas Fails to Show in Statistics

DALLAS (AP) - Jimmy Shofner, the Texas Christian express, increased his lead in Southwest Conference ball carrying last week but the greatest advance was made by Roddy Osborne, Texas A&M's clever quarterback.

Shofner rolled up 109 yards against Alabama and his 345 on 51 runs to beat a 114-yard lead over second place Harry Hickman of Baylor, who also made quite a pull up himself.

Osborne dashed off 115 yards in one half against University of Houston and moved into the top ten rushers, going into third place with 224. Hickman, who gained 100 yards against Arkansas, moved from seventh to second. He has 227 yards on 52 carries.

Doyle Traylor, Baylor quarterback, stayed out front in passing on the basis of completions, connecting on four against Arkansas. He made his season total 24. But King Hill, Rice quarterback, still has the most distance. Hill has thrown 33 and completed 19 for 335 yards compared to 230 yards by Traylor.

Hill also still is the total offense leader with 335 yards on 30 plays.

Dave Shorer of Southern Methodist stayed ahead in punting with an average of 47.8 yards per kick.

Buddy Dial, Rice wingman, took over the lead in pass receiving by catching five against Duke. He now has 11 receptions for 280 yards.

Teamwise Rice still is the total offense leader with 428 yards per game while Texas Christian leads in defense, giving up only 210.8 yards per putting.

560 yards and the Bulldogs totaled 305. Standouts for Yerger were Morrison, Brandon, Shaw, Edwards, Rogers, the McFadden boys, Scott Wilson, Reed, Hollyfield, Moss, Deloney, Prater and Tyus.

"WASTED" BEAUTY

An early American explorer described the Grand Canyon as a "profitless locality where there is nothing to do but leave"; today, thousands of Americans visit it annually to marvel at its scenic beauty.

Unitas Leads Colts to a Big Victory

By ARNOLD ZEITLIN

The Associated Press

Johnny Unitas was quarterbacking a semi-pro football team two

years ago. He was a washout with the Pittsburgh Steelers who had drafted him from the University of Louisville.

But the 6-foot, 1-inch passer today was magician-in-chief of the Baltimore Colts, leaders of the National Football League's Western Conference with a 3-0 record.

Unitas, 24, threw two touchdown passes yesterday in Milwaukee, where the Colts burst out

for 38 points in the second half of crush Green Bay 45-17.

Webb Ewbank, Colt coach, picked Unitas off the sandlots last year as insurance when quarterback Gary Kerkorian quit the Colts to study law. Unitas took over when regular George Shaw was hurt and stayed the rest of the season to hurl nine touchdowns and complete 110 of 198 passes to rank sixth among the league's passers. Yesterday's scoring losses in-

creased to eight his touchdown passes in three games. His pace could bring him closer to former Chicago Bear Sid Luckman's 1943 record of 28 touchdown throws in one season.

In other league games, the Cleveland Browns won their third against the last-place Philadelphia Eagles 24-7 to stay the undefeated Eastern Conference leaders.

Detroit tripped Los Angeles 10-7 and San Francisco upset the with-

less Bears 21-17 with a touchdown in the final 27 seconds. They kept close to Baltimore with 2-1 records.

Defending champion New York Giants outdistanced Washington 24-20 and coach Buddy Parker's reconstructed Steelers overcame the Chicago Cardinals 29-20. Each remained a game behind the Browns with 2-1 marks.

The Colts trailed 10-7 at the half. But Alan Ameche bulled one yard three times for touchdowns

and Jim Mutscheller caught scoring passes from Unitas and Shaw to smash open the game. Mutscheller caught a first period Unitas pass to give the Colts a 7-3 lead.

It was the fourth Colt victory in 16 road games over four seasons. Baltimore's inability to win away from home has kept the Colts in the second division.

The Eagles (0-3) suffered most in a fourth quarter melee which

emptied both benches at Cleveland. Four Eagles were ejected by officials. Three Browns followed. The Eagles haven't won since last November.

O'Connell threw to fullback Jim Brown to cap a 60-yard opening drive. Chet Hanulak raced 64 yards in the first period for the second touchdown. Billy Reynolds ran five yards for the third Brown touchdown after Lou Groza kicked a 22-yard field goal, his sixth of

the season. Charley Conerly completed 11 of 13 passes and played the entire game on offense for the Giants at Washington. He filled in for the injured Don Heinrich.

Frank Gifford threw to Bob Schnelker to complete a 66-yard scoring play the first time the Giants moved the ball. Conerly also threw a scoring pass to Schnelker and Gifford plunged for the third touchdown.
